At the time such termination by Developer is elected, Developer may elect either the following:

(a) To cause an election to be made among property Owners within the Properties to select the members of the Architectural Control Committee, who shall be Lot Owners; or

The three (3) members shall be selected as follows: one (1) for a one (1) year term, and two (2) for two (2) year terms. A quorum is hereby deemed to be two (2) members present at any meeting, and decisions of the Committee shall be by simple majority vote. No architectural "style" or materials will be excluded; however, all materials, features, and styles must be, in the opinion of the Committee, professionally and aesthetically acceptable.

By acceptance of a Deed, purchasers agree that the actions of the Committee are in the best interest of all owners within the subdivision and that they will abide by the decisions of the Committee. Section iv. Site Standards.

All Owners agree to leave all vegetation, trees, brooks, creeks, hillsides, springs, water courses, and ravines in as near their natural state as is compatible with good building and land use practices to the end that an attractive exterior lot appearance will be evident at each building site, and in keeping with surrounding properties. **All Lots, whether occupied or unoccupied, shall be well maintained. Additionally, no unattractive growth or accumulation of trash, rubbish or debris shall be permitted to remain on any Lot or Building for longer than thirty (30) days after Owner has been notified of the violation (Amendment dated November 28, 2005).** The locations of buildings and parking areas shall be preserved and land left undisturbed. The decision of the Board of Directors of the Association shall be controlling in all such matters, and all Owners hereby agree to be bound by such decision. Invalidation of any provision of this New Declaration by judgment or court order shall in no wise affect any other provision, and the same shall remain in full force and effect. The right of enforcement of these covenants is hereby decreed to be vested in any owner, or Developer, or the Association, acting either singularly or in concert.
