

Brandywine/CWS Water Committee: This committee was established to assist residents with their complaints about water cost and quality. The BOA fully supports this committee, but It is not an official BOA committee.

Charge/Objective: This committee will collect and correlate data from residents and attempt to develop a plan to influence the decisions of North Carolina Utility Commissions that set price and quality standards. The committee will investigate the causes of extreme water bills experienced by some residents.

Membership: The chairperson will recruit members.

Meetings: The Committee is not required to hold meetings, but may meet if deemed necessary by the chairperson.

Reports: A written report of the Committee's activities should be provided to the BOA Board prior to the BOA annual meeting along with any requests for budget funding. An oral report on the committee's activities should be given at regular BOA meetings open to all members.
